A management company has been formed at Mosaics and will be responsible for the management and maintenance of all the shared facilities on the development. This includes any non-adopted private roads, landscaping, swales and attenuation ponds plus any treatment plants. All homeowners will become members of the management company when they purchase their property at Mosaics. A managing agent has been appointed to take on the maintenance responsibilities and a service charge will be payable by each homeowner for the services provided.

We are unable to accommodate any individual changes, additions or amendments to the specification, layout or plans to any individual home. Please note that it may not be possible to obtain the products as referred to in the specification; in such cases a similar alternative will be provided. Hill reserve the right to make these changes as required.
