

Spring Holiday
**Activity
 Pack**

Welcome to our Spring Activity Pack

Hello Parents!

We understand the difficulties this last year has put on parents, and the countless activities you have had to summon up in order to keep your children entertained, which is why we have put together an activity pack to help get them thinking, learning and off their screens this Easter.

A bit about us - we are an award-winning housebuilder and one of the leading developers in London and the south east of England, delivering both private for sale and affordable homes.

Our aim is to build and bring communities together, working with schools to educate children about our industry, teach them about the jobs that are available and what it takes to build a new home.

We hope that you enjoy and get involved with some of the activities and competitions we have to offer! For more information and to download our activities, visit our website here: www.hill.co.uk/construction-activity-pack

Hi Kids!

We have a fun filled activity pack just waiting for you where you can learn all about building, how a house is built and what job you would be most suited to. We really hope you get involved and we look forward to seeing some of your photos and answers. Enjoy!

Hill started as a family

We are 21 years old

We build around 2,000 homes a year

We build apartments, houses, shops and schools

The house that Hill built

Enter our **competition** - it's time to get creative!

How to enter?

Design, draw or model your dream home and send us a picture.

Do you want a giant play room at the centre of your house? Your pony to live in the front room with you? How about a skateboard park in the garden? The more imaginative your ideas, the better!

You can use, Play Dough, Lego, paint, colouring pencils, cardboard boxes, or just about anything you can find at home. So, getting looking, and get creative! When you have finished your creation, take a photo and send it to us xx@hill.co.uk before 21st of May 2021

What is the prize?

A **£25** High Street voucher for the winning picture, and we will also give a further **£25** to a charity of your choice.

Keep an eye out - your creation will also be featured on the front of our activity page on the website. www.hill.co/xx

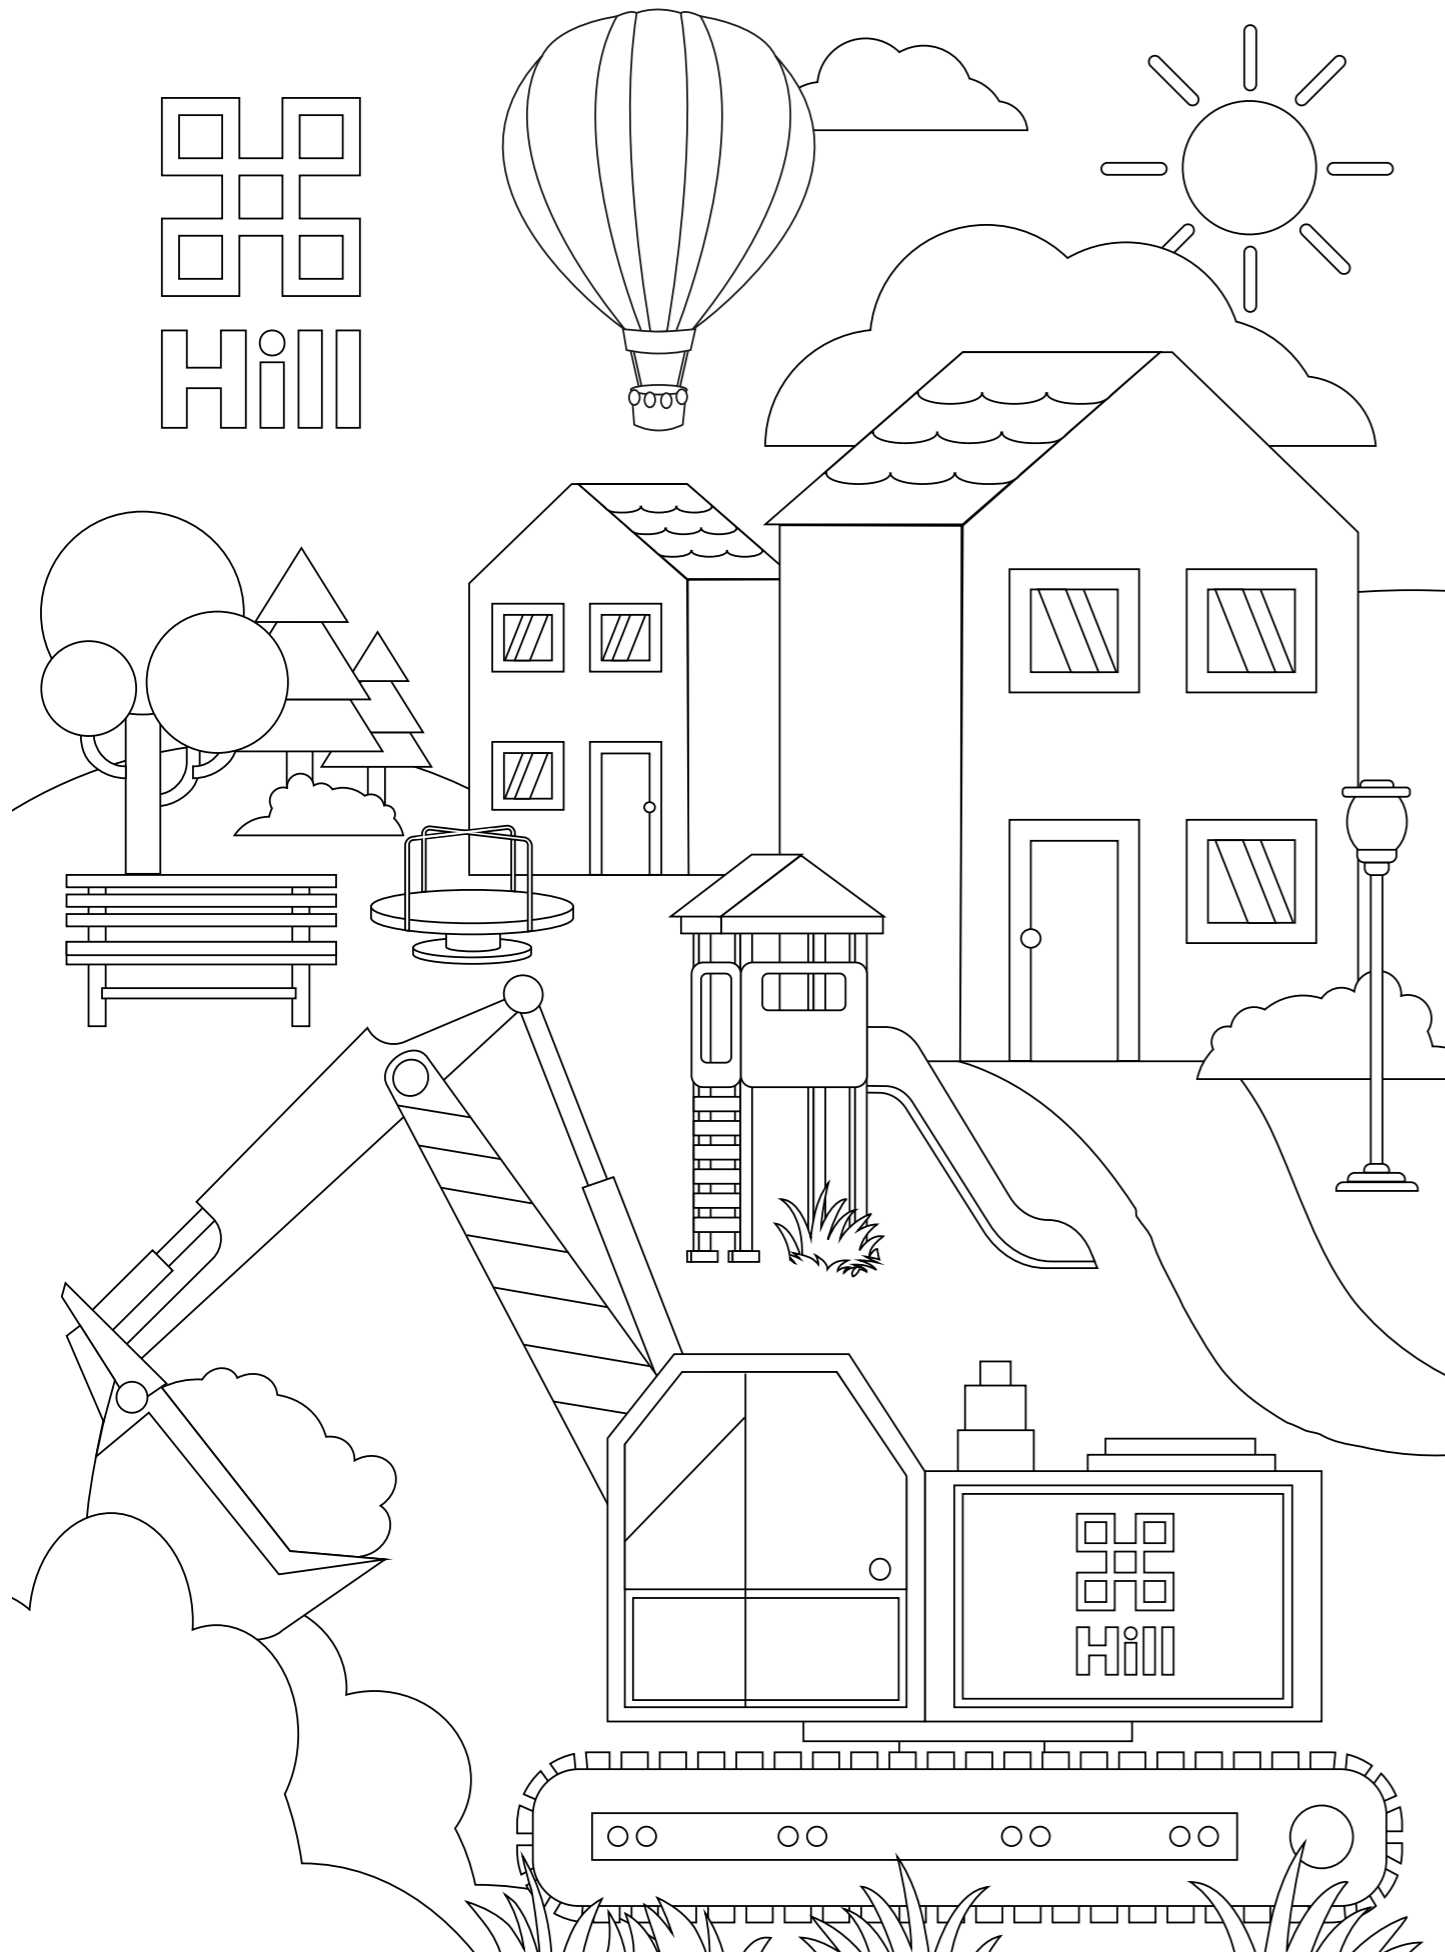

What makes a house?

New homes hunt

It's time to get out of the house, get some fresh air and find out what new build homes are being built near you. When you find a building site, or a new build development, take a photo of you standing outside and ask your parent to share it with us on Instagram or Facebook with the hashtag **#NewHomesHunt**.

We will be awarding a **£25 prize**, chosen at random on 20th May 2021.

Roll a HOUSE dice game!

Using dice, race against a family member, friend, or the clock to build your house!

All you need to do is continue to roll your own dice to get the matching numbers below to build your house. You have to build from the floor up, so make sure you build your foundations first and walls second before adding your windows, door, roof and chimney. Shout 'House' when you have finished.

If you don't have dice, you can make the numbers 1-6 on paper and pick them out of a bowl!

Let us know what your quickest time was to complete your house!

-  **1. Foundations**
-  **2. Walls**
-  **3. Windows x 2**
-  **4. Front Door**
-  **5. Roof**
-  **6. Chimney**
