TOWN & GOWN

Discover Cambridge's vibrant culture and timeless beauty

Eclectic art galleries, top-flight theatres and enticing eateries line the cobbled streets of Cambridge, just minutes from your doorstep. With Trinity Gate as your base, making your way around is easy. The heart of the city centre is a breezy ten-minute cycle, or simple and convenient bus journey – and once there, there's plenty to explore.

Those seeking a splash of culture are spoiled for choice, with world-class venues including the Arts Theatre, ADC and Corn Exchange to visit. The Fitzwilliam Museum, The Heong Gallery and Kettle's Yard also glitter with talent.

The historical open-air market at Cambridge's heart boasts handmade crafts and culinary offerings from around the globe, while the city's main shopping centre, The Grand Arcade, brims with major brands. Those in search of good food and drink can choose between options ranging from Michelin-starred Midsummer House to a thriving street food scene, artisan bakeries, microbreweries, cocktail bars and many wonderful gastropubs.

Peruse the streets and you will find pockets of parks and green spaces, providing sanctuary away from the city: Jesus Green, Christ's Pieces and Midsummer Common are all favourites for picnics. The Botanic Gardens, meanwhile, hold an impressive collection of over 8,000 plant species from all over the world – as well as a great cafe. At Trinity Gate, you're perfectly placed to access all Cambridgeshire has to offer. ☼☼

MEET THE NEIGHBOURS

Delightful villages, rolling countryside and a host of excellent nearby amenities

Surrounded by tennis lawns, sports fields and open green space, Trinity Gate offers residents a breath of fresh air. The bustle of Cambridge city centre is only around a 25-minute walk, but there's much to enjoy in your immediate neighbourhood as well.

The university's Institute of Astronomy is less than a minute's stroll – so you're perfectly placed to take advantage of the public talks and stargazing events at this impressive facility. You can also indulge in Cambridge's finest street food nearby – thanks to foodPark – with Sri Lankan delicacies, filled bao, gourmet burgers and more, just down the road from Trinity Gate at the West Cambridge site.

You're also not far from Eddington, the University of Cambridge's ambitious new eco neighbourhood, with a range of excellent amenities. Pay a visit to artisan

bakery Dulcedo, luxurious dining spot KOTA, cocktail bar Dutch, and Storey's Field, a community and arts space. If you enjoy a brisk jog on a Saturday morning, check out Eddington's thriving Parkrun, which gathers at 9am for a 5k race, before decamping to the local coffee shop.

For a taste of rural Cambridgeshire charm, Trinity Gate is under a 10-minute drive from numerous historic villages. Most famous is Grantchester, offering rolling meadows, fabulous pubs and its own gin distillery: its riverbanks are the perfect spot for an idyllic picnic during summer. Madingley, meanwhile, boasts The Three Horseshoes – one of the county's favourite country pubs – as well as the 16th century Madingley Hall, a grand country house with gardens designed by Capability Brown, that hosts outdoor cinema screenings in the warmer months. ❧

AN EDUCATED CHOICE

The city is a venerated seat of learning – but the university isn't Cambridge's only educational asset

Cambridge is known for its unparalleled educational establishments – chiefly the University of Cambridge, which has long been at the forefront of global innovation across the arts and sciences. Consistently ranked as one of the world's five leading universities, it has played host to great minds including Stephen Hawking, Isaac Newton and Alan Turing over the centuries.

But high academia isn't the city's only educational asset: it also boasts a number of exceptional schools, nurseries and sixth form colleges.

Less than one mile from Trinity Gate on Grange Road, you'll find St John's College School, a recent winner of the national Best Prep School award. Equally inspirational is the University of Cambridge Primary School, a pioneering centre of learning, which utilises the latest research to formulate cutting-edge teaching. Located on Eddington Avenue, it's a 15-minute walk from Trinity Gate. For younger children, nearby nurseries include

the highly regarded Monkey Puzzle Day Nursery (1.3 miles away), and the Wolfson Court Nursery and Preschool (0.7 miles), rated Outstanding by Ofsted.

For older students, meanwhile, Cambridge Regional College and Hills Road Sixth Form College are both leading further and higher education providers. Adult learners can dip into the Institute of Continuing Education, based at nearby Madingley Hall, which offers everything from creative writing to history of art courses. With so much on offer in this venerated seat of learning, it will be difficult to resist. ✂

which are perfect for exploring on two wheels.

Commuting on bike to Cambridge Science Park would take around 20 minutes, while Addenbrooke's Hospital is just 25 minutes. Cambridge Biomedical Campus, home to huge employers such as AstraZeneca and GlaxoSmithKline, is just a 23-minute cycle. ABOUT HILL

Hill is an award-winning housebuilder and one of the leading developers in London and the south-east of England, delivering both private for sale and affordable homes.

This family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder. It has an impressive and diverse portfolio, ranging from landmark mixed-use regeneration schemes and inner-city apartments to homes in idyllic rural countryside.

Hill prides itself on putting its customers first, and has a dedicated customer journey designed to help buyers at every step of the way to homeownership. Hill was awarded a 5-star status from the Home Builders

Federation's annual Customer Satisfaction Survey for five consecutive years.

Hill has won over 460 industry awards in the past 23 years, including Best Medium Housebuilder at the Housebuilder Awards in 2020 and 2021. Hill also won Best Home, Best Sustainable Development and Best Medium Housebuilder at the WhatHouse? Awards 2021, and has won Housebuilder of the Year twice. In conjunction with Building with Nature, Hill was awarded a 2021 Housing Design Award for its highly sustainable Knights Park development in Eddington, Cambridge.

With a staff of over 730, the company operates from five strategically located offices across the south-east, with its head office based in Waltham Abbey.

Hill builds around 2,800 homes a year, and around half of the company's development portfolio is in joint venture to deliver affordable homes, reflecting Hill's commitment to partnering with government, local authorities and housing associations.

In 2019, to mark its 20th anniversary and give back to local communities, Hill Group designed and is donating 200 fully equipped modular homes to homelessness charities as part of a £15 million pledge, through its award-winning Foundation 200 social impact initiative. 🏠
