ATTLEBOROUGH

WELCOME TO **THE GABLES**

**SITUATED IN THE PEACEFUL MARKET TOWN OF ATTLEBOROUGH,
THE GABLES IS A NEW COLLECTION OF 2, 3 AND 4 BEDROOM HOMES.**

Characterful details and materials reflect the architecture of the local area, while attractive green spaces, trees and hedgerows create a natural setting.

Combined with good road and rail links, and beautiful countryside to explore, there are plenty of excellent reasons to make The Gables your new home.

DISCOVER THE LOCAL AREA

WIDE OPEN SPACES, A VAST FOREST, CHARMING VILLAGES AND HISTORIC TOWNS
- THIS LOCATION HAS SO MUCH TO OFFER.

Surrounding Norfolk countryside

The Gables is just a 15-minute walk to the centre of Attleborough, a bustling market town with a history tracing back to Saxon times. This charming town has everything you need for day-to-day life, from shops and parks to a rail station, two primary schools and a secondary school. There's also a nearby prep school, plus local nurseries and a forest school where children can learn about nature through outdoor adventures.

Just north of The Gables is Hall Farm, a traditional farm shop selling cheeses, meat, eggs, fruit and veg, dairy, baked goods and preserves, with a café serving breakfast, lunch and tea. Wymondham is an attractive town six miles to the north-east, with a grand abbey and heritage museum plus inviting medieval streets.

Thetford Forest, a 18,000 hectare patchwork of woods and tranquil heathland is just 15 miles away, with hiking and mountain biking trails, play areas and picnic spots.

Enjoy a day out at Snetterton Speedway, one of the UK's top motor racing circuits, for races or driving experiences. Another nearby attraction is Old Buckenham Aerodrome, with a fascinating museum of aviation memorabilia. Or head to the award-winning Banham Zoological Gardens, set in 50 acres of peaceful countryside, for extraordinary wildlife encounters: tigers, monkeys, meerkats and more.

For a trip to the sea, head for the stunning beaches and dramatic cliffs of the Norfolk and Suffolk coastline, from just over an hour's drive away.

Dunstan Hall

Attleborough high street is lined with appealing shops, cafés, restaurants and pubs. There are two large supermarkets, Sainsbury's and Lidl, plus several smaller convenience stores. For those keen on keeping fit, the leisure centre offers a gym, football, basketball, badminton and summer tennis courts. There are health and fitness clubs, plus outdoor gym equipment and junior football pitches in Gaymers Park. There's even an athletics academy with family-friendly sessions in track and field or cross country running.

Wymondham also has its own selection of attractive independent shops, restaurants and tea rooms, as well as Waitrose and Morrisons supermarkets. For more extensive shopping, dining and cultural

amenities, Norwich is the place to go — a 31-minute drive* or train ride away. Its winding, pedestrianised streets are full of fashion brands, smart restaurants, family-friendly chains and lively pubs and bars. There are also three cinemas, four theatres and several live music venues. The city is host to a rich programme of classical concerts, ballet and opera at its various performance venues, while the cathedral and castle are magnificent historic sites.

There are several golf courses in the surrounding countryside, including at Dunstan Hall. This luxury hotel also has a spa, perfect for when you want to relax and recharge.

A NEW PLACE TO CALL HOME

The Gables has been thoughtfully designed to create a welcoming and sociable environment where neighbours can gather and children can play. With handsome exteriors, featuring attractive architectural details, these are homes to be proud of, delighting you every time you return to them. Inside, the energy efficiency, modern comfort and stylish finish make them a joy to live in.

The outside surroundings have been equally well considered, with trees and hedgerows creating leafy streets and outlooks. This uplifting natural setting will be enhanced by open green spaces and an attenuation pond to encourage wildlife. Once completed, The Gables is designed to feature allotments, a larger landscaped green, a playground and a multi-use games area. So you will be able to enjoy plenty of outdoor space right on your doorstep, with footpaths and a cycle way offering active and enjoyable ways to move around.

MODERN DESIGNS

BEAUTIFUL FINISHES

The houses draw inspiration from the local architecture, with interiors designed for modern living. The considered specification throughout matches the quality and high standards of the build, with many features that will help you live comfortably, sustainably and with lower energy bills.

Layouts offer a mix of open-plan living spaces to share and separate rooms that offer privacy when you want it. This flexibility allows you to switch effortlessly from work to relaxation to social occasions.

With the neutral palette, you can either add your own personal touches of colour, or allow the simple sophistication of the design to be a calm backdrop to your life. The Gables offers everything you're looking for in a modern home.

SUSTAINABILITY BUILT IN

THE GABLES HAS BEEN DESIGNED TO HELP YOU LIVE MORE SUSTAINABLY, NOT ONLY TO PROTECT THE ENVIRONMENT BUT ALSO TO HELP YOU REDUCE YOUR ENERGY USAGE AND ENJOY LOWER FUEL BILLS.

All homes are completely gas free; instead, they are heated by efficient air-source heat pumps, which transfer heat from the outside air to water, heating your rooms via radiators or underfloor heating. They can also heat water stored in a hot water cylinder for your hot taps, showers and baths. In addition, high levels of insulation including full cavity wall insulation, energy efficient appliances and double glazing keep the homes warm and comfortable as well as making them cheaper to run.

Outside, there are Electric Vehicle charging points on each home, giving you the opportunity to use a cleaner form of transport while light pollution around the development is also reduced.

WORKING TOGETHER TO CREATE OUTSTANDING HOMES

THE GABLES IS A COMMUNITY-FOCUSED COLLABORATION BETWEEN
HILL AND LATIMER BY CLARION HOUSING GROUP.

Hill is an award-winning housebuilder and one of the leading developers in London, the home counties, and the south of England, delivering both private for sale and affordable homes.

This family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder. It has an impressive and diverse portfolio ranging from landmark mixed-use regeneration schemes and inner-city apartments to homes in idyllic rural countryside.

Hill prides itself on putting its customers first and has a dedicated customer journey designed to help buyers at every step of the way to homeownership. Hill has been awarded a 5-star status from the Home Builders Federation's annual Customer Satisfaction Survey for five consecutive years.

Hill has won over 480 industry awards in the past 24 years, including Best Medium Housebuilder at the Housebuilder Awards for the last three years, where in 2022, Hill's commitment to creating exceptional homes and sustainable communities was recognised with the Best Community Initiative and Best Sustainability Initiative. Hill's impressive Cavendish Villas at the highly sustainable Knights Park development in Eddington, Cambridge won Best Family Home at the 2022 Evening Standard New Homes Awards, as well as Best House and Best Exterior Design at the 2022 WhatHouse? Awards.

Employing over 750 staff, the company operates from five strategically located offices across the South-East, with its head office based in Waltham Abbey, Essex.

Hill builds around 2,500 homes a year, and around half of the company's development portfolio is in joint venture to deliver affordable homes, reflecting Hill's commitment to partnering with government, local authorities and housing associations.

In 2019, to mark its 20th anniversary and to give back to local communities, Hill Group designed and is donating 200 fully equipped modular homes to homelessness charities as part of a £15 million pledge through its award-winning Foundation 200 social impact initiative.

LATIMER
by Clarion Housing Group

Latimer is part of Clarion Housing Group, whose history can be traced back to the early 1900s. Today Clarion is a social landlord and the country's largest housing association. It owns 125,000 properties, homes for more than 350,000 people. Latimer is Clarion's development arm. It was created to ensure that Clarion has an organisation capable of building homes of all tenures, for multiple communities and locations, realising our mission to play a part in tackling Britain's housing crisis.

With nearly 300 employees, Latimer is a growing and ambitious development company, specialising in the development, project management and delivery of complex projects. We are committed to investing billions of pounds in new housing over the next decade, building at scale and creating vibrant new places to live. Profits made by Latimer go back into Clarion, giving the Group even more opportunities to build homes and create communities.

Along with these ambitions, we remain mindful of the ideals of Clarion. Social purpose is at the heart of Clarion, as is a passion for maximising the opportunities available to everyone who lives in a Clarion home and community. This is supported by Clarion Futures, the charitable foundation of Clarion Housing Group, with a mission to provide people with the tools and support they need to transform their lives and communities for the better.

Where possible we will always strive to offer over the minimum requirement for affordable homes on our developments. Shared ownership, also known as part buy, part rent and is designed to be a stepping stone to you owning your home outright. You buy a share of your home - as much as you can afford - starting from as little as 10% and rising up to 75% of the property's value. You then pay subsidised rent to us on the remaining share of your home.
