

EDEN GREEN

FINCHINGFIELD

ONCE IN A LIFETIME
ONE OF A KIND

Just south of Finchingfield, which is celebrated as one of the most photographed and picturesque villages in England, you will discover **Eden Green**.

A charming collection of 3, 4 & 5 bedroom houses delivered by award-winning five-star housebuilder, The Hill Group.

Eden Green not only complements everything that makes Finchingfield such a special and striking place to live, but also expands its boundaries – as a new, spacious community of homes with their own distinct character.

Offering a rare opportunity to purchase a new home in Finchingfield, the development is built around a private village green and is dotted with large parkland-style trees and rows of wildflowers.

As an award-winning housebuilder, we have created homes that have been beautifully designed, with well-proportioned living spaces. Layouts offer the flexibility that we now want from our homes, with open plan spaces and rooms that can accommodate places to relax, socialise, entertain and work.

IDYLIC CHARM

WHEREVER YOU LOOK

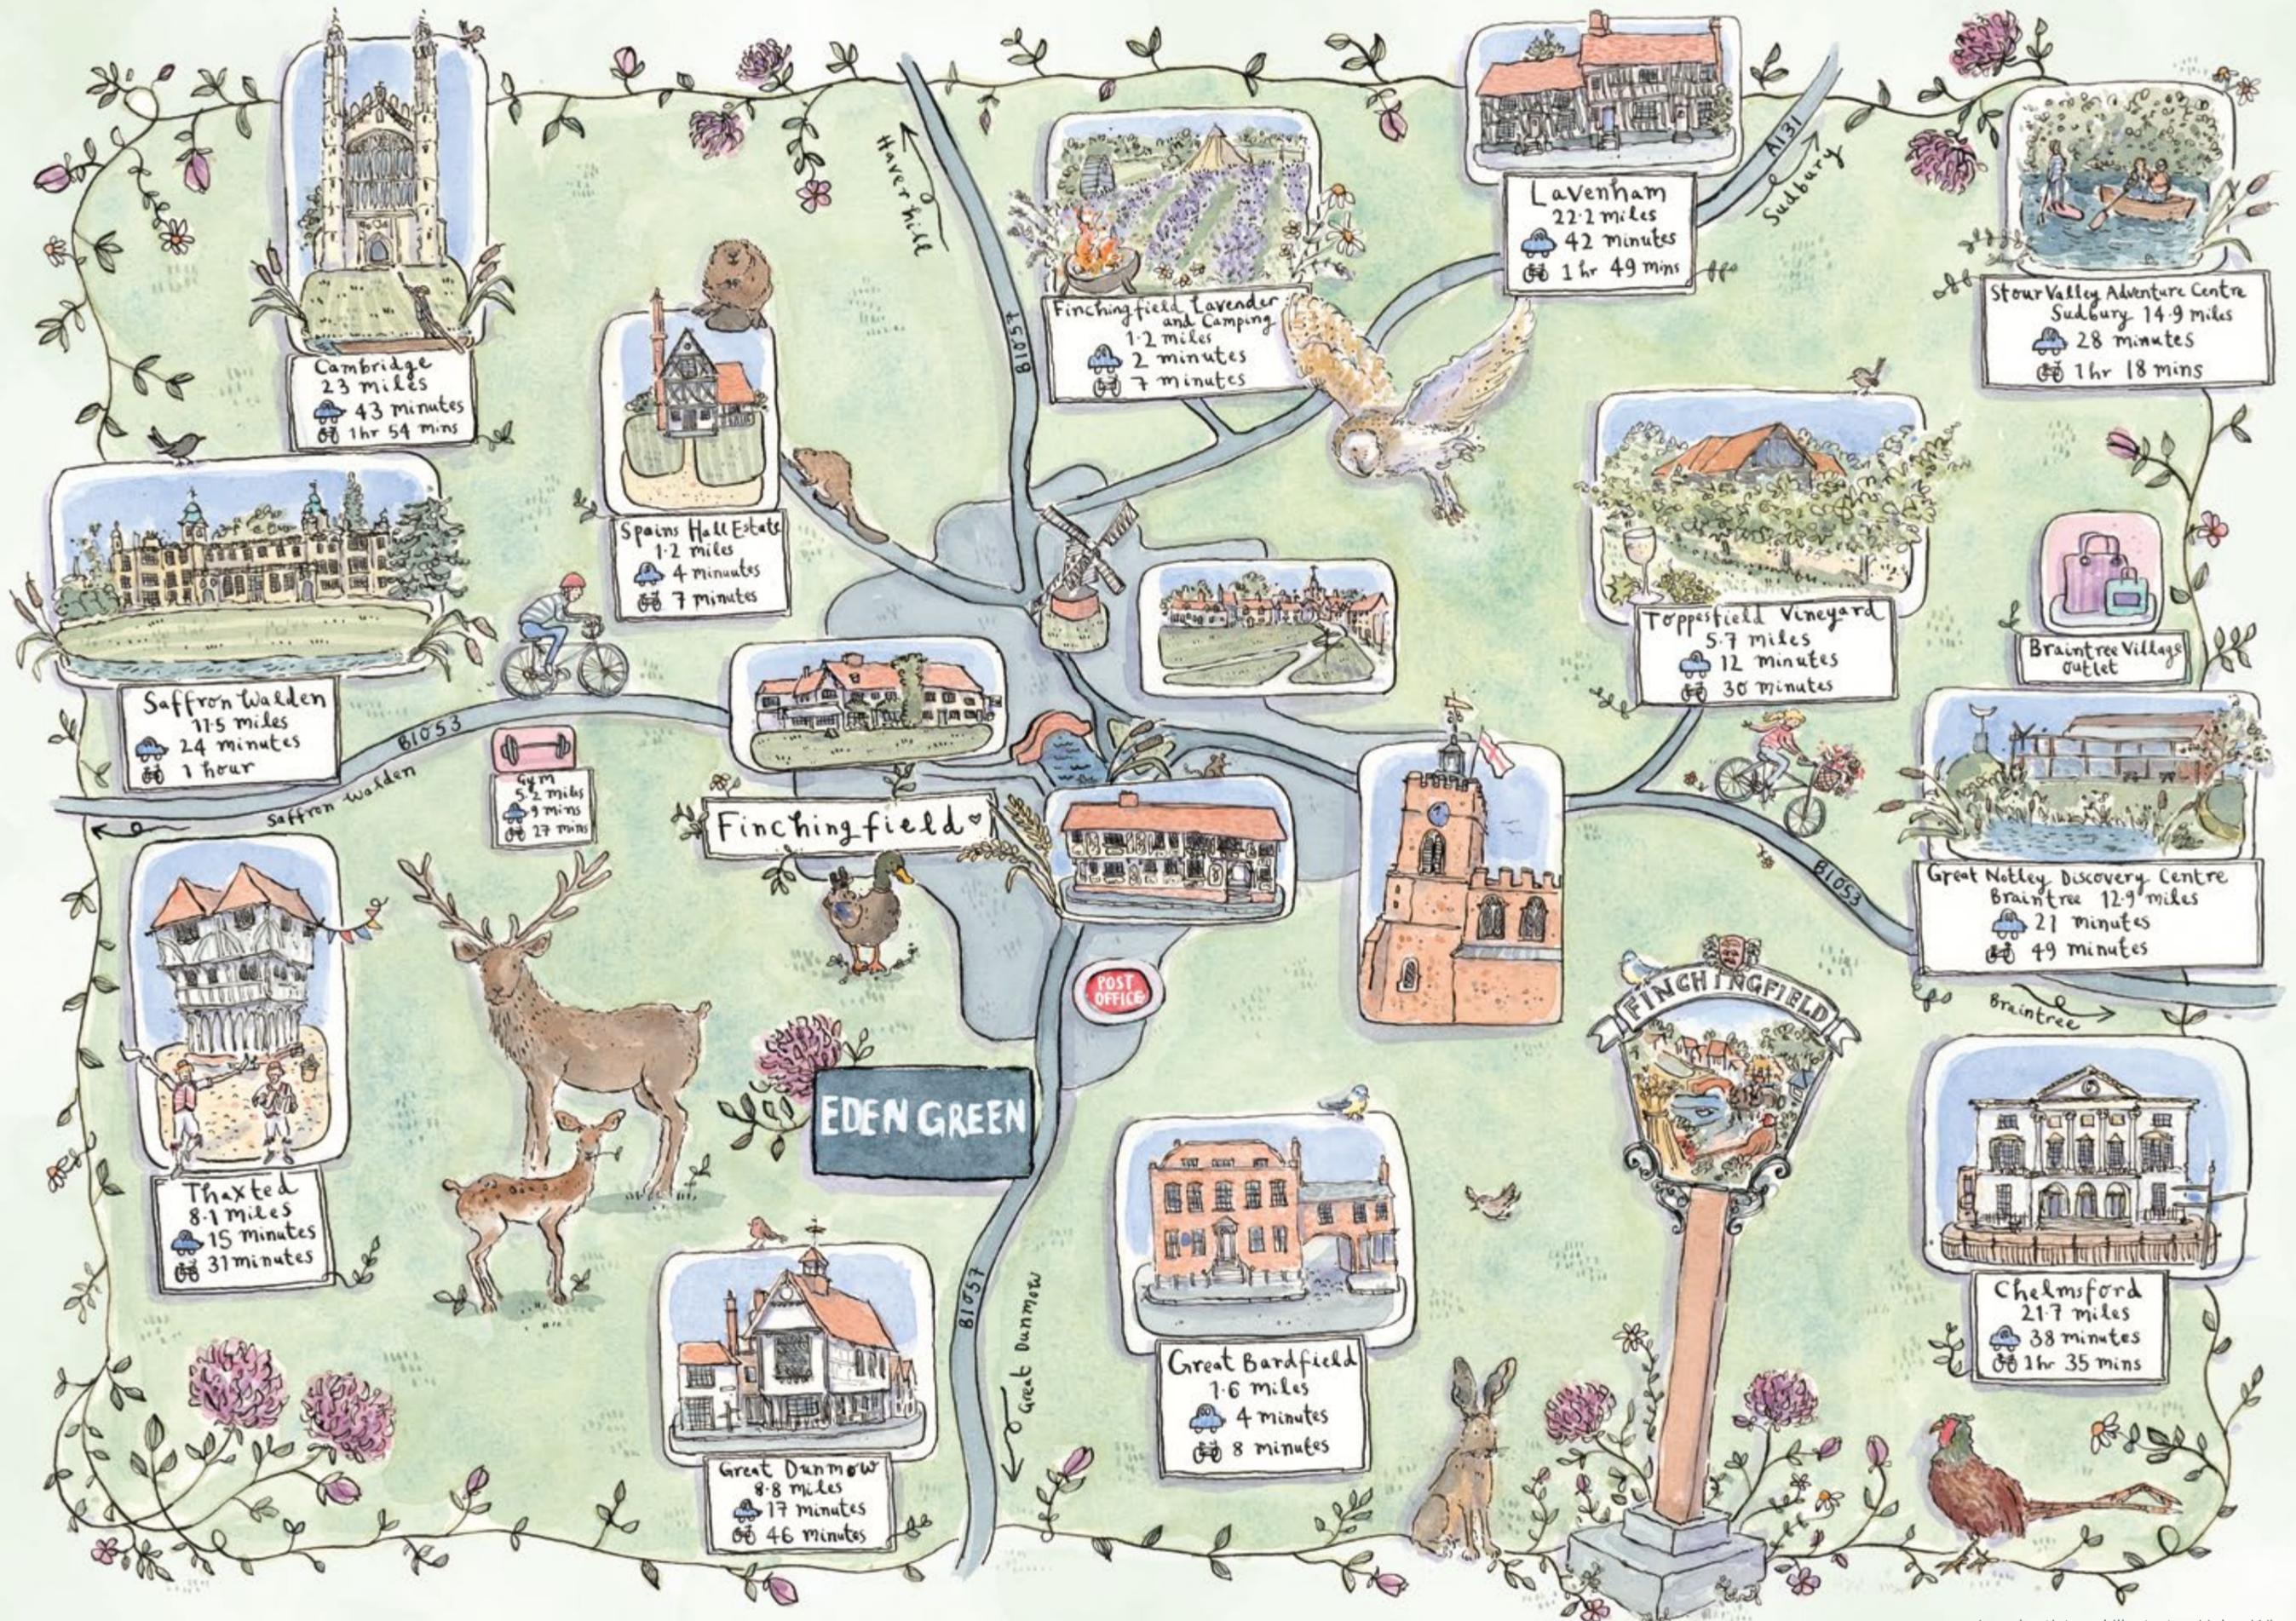

Living at Eden Green offers a lifestyle unlike any other. The village's reputation and unique character are clear from the very first moment you visit.

Finchingfield is located in historic, wooded surroundings, with gently rolling hills and a perfectly balanced mix of meadows, rivers and streams. From the duck pond and humpback bridge, to the iconic windmill and medieval church, it's easy to see why this is the most photographed village in England.

People have lived here since 1086, and many of the village buildings date back to the 14th Century, with evidence of Roman settlements, adding to the charm.

Primely located, travelling to either London or Cambridge has never been easier, whether it be for work or leisure.

Today, Finchingfield continues to be a delightful classic village with character and a touch of modernism. One of its most distinctive modern features is the pastel colours added to the timber-framed buildings, making the conservation area something that stands out from other local villages.

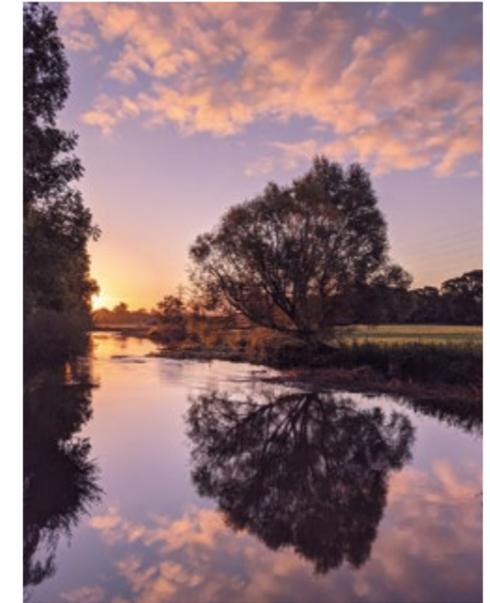

EAT, DRINK AND EXPLORE

In Finchingfield, you're spoilt for choice when it comes to country-style pubs serving traditional fare – and there's plenty more on offer in the village and within a short drive.

Just 2 minutes away by car is Finchingfield Lavender Farm, where a luxury campsite sits within a stunning wildflower meadow – perfect for overnight stays or day trips with visiting friends or family if you'd like a change of scenery. Plus, Saffron Walden's picturesque medieval buildings and charming gardens are only a short drive away.

A similar distance away is Spains Hall Estate, a working farm offering visits, horse rides, guided tours, camping, and even the opportunity to buy local, seasonal produce.

Half an hour by car from Finchingfield, the Stour Valley Adventure Centre is a fantastic weekend destination, where you can take a canoe, kayak or paddleboard down the River Stour and enjoy its tranquil waters and gorgeous wildlife.

CREATING EXCEPTIONAL PLACES TO LIVE

Hill is an award-winning housebuilder and one of the leading developers in London, the home counties, and the South East, delivering both private for sale and affordable homes.

This family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder. It has an impressive and diverse portfolio ranging from landmark mixed-use regeneration schemes and inner-city apartments to homes in the idyllic rural countryside.

Hill prides itself on putting its customers first and has a dedicated customer journey designed to help buyers at every step of the way to homeownership. Hill has been awarded a 5-star status from the Home Builders Federation's annual Customer Satisfaction Survey for six consecutive years.

Hill has won over 480 industry awards in the past 24 years, including Best Medium Housebuilder at the Housebuilder Awards for the last three years, where in 2022, Hill's commitment to creating exceptional homes and sustainable communities was recognised

with the Best Community Initiative and Best Sustainability Initiative. Hill's impressive Cavendish Villas at the highly sustainable Knights Park development in Eddington, Cambridge won Best Family Home at the 2022 Evening Standard New Homes Awards, as well as Best House and Best Exterior Design at the 2022 WhatHouse? Awards.

Employing over 800 staff, the company operates from five strategically located regional offices, with its head office based in Waltham Abbey, Essex.

Hill builds around 2,600 homes a year, and around half of the company's development portfolio is in joint venture to deliver affordable homes, reflecting Hill's commitment to partnering with government, local authorities, and housing associations.

In 2019, to mark its 20th anniversary and to give back to local communities, Hill Group designed and is donating 200 fully equipped modular homes to homelessness charities as part of a £15 million pledge through its award-winning Foundation 200 social impact initiative.
