A Building Management Company has been formed at Knights Park and will be responsible for the management and maintenance of communal areas and shared facilities. All homeowners will become members of the Management Company when they purchase their property. A managing agent has been appointed to take on the maintenance responsibilities and a service charge will be payable by each homeowner for the services provided.

Estate Management services at Knights Park will be provided by the University of Cambridge's own estate management company Portal Estate Management. Portal's services cover the management and maintenance of the external communal areas for the wider estate including the estate roads, landscaped areas, site wide drainage, play equipment and lighting on the estate. A separate estate charge will be payable to Portal for their estate management services.

We are unable to accommodate any individual changes, additions or amendments to the specification, layout or plans to any individual home. Please note that it may not be possible to obtain the products as referred to in the specification; in such cases a similar alternative will be provided. Hill reserve the right to make these changes as required.

About Hill

Hill is an award-winning housebuilder and one of the leading developers in London, the home counties, and the South.

The company is renowned for its partnership ethos, specialising in the building of distinctive new places and communities where people want to live, work, and socialise. It is now in the process of opening new regional offices to facilitate growth in the Midlands.

In its 24th year, this family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder, with an impressive and diverse portfolio of projects ranging from landmark, mixed-use regenerations, and inner-city apartment developments to homes in rural communities.

Employing over 800 staff, the company operates from six strategically located regional offices, with its head office based in Waltham Abbey, Essex.

Hill anticipates completing over 3,000 homes by the close of its current financial year and has a controlled land bank with planning consent for over 8,500 units. Around half of its portfolio is in joint ventures to deliver a range of mixed-tenure developments, reflecting Hill's commitment to partnerships with government, local authorities, housing associations, and private clients.

Since the company was founded in 1999, Hill has won over 500 industry awards, including the esteemed titles of WhatHouse? Housebuilder of the Year in 2015, 2020, and most recently in 2023, when it also won the Best Large Housebuilder accolade in its first year entering the category. Rubicon, Hill's innovative and beautifully designed development at Knights Park in Eddington, Cambridge, has been recognised with four prestigious WhatHouse? Awards in 2023, including gold awards for Best Development and Best Exterior Design. Rubicon also won Best Design for Four Storeys or More at the 2023 Housebuilder Awards. The Beech, a stunning contemporary home at Marleigh, won the Best Family Home award at the Evening Standard New Homes Awards 2023 and silver in the Best House category at the WhatHouse? Awards in the same year.

In addition, Hill's dedication to delivering the highest quality homes and exceptional customer service has earned the housebuilder its 5-star status in the Home Builders Federation's annual Customer Satisfaction Survey for the past six years.

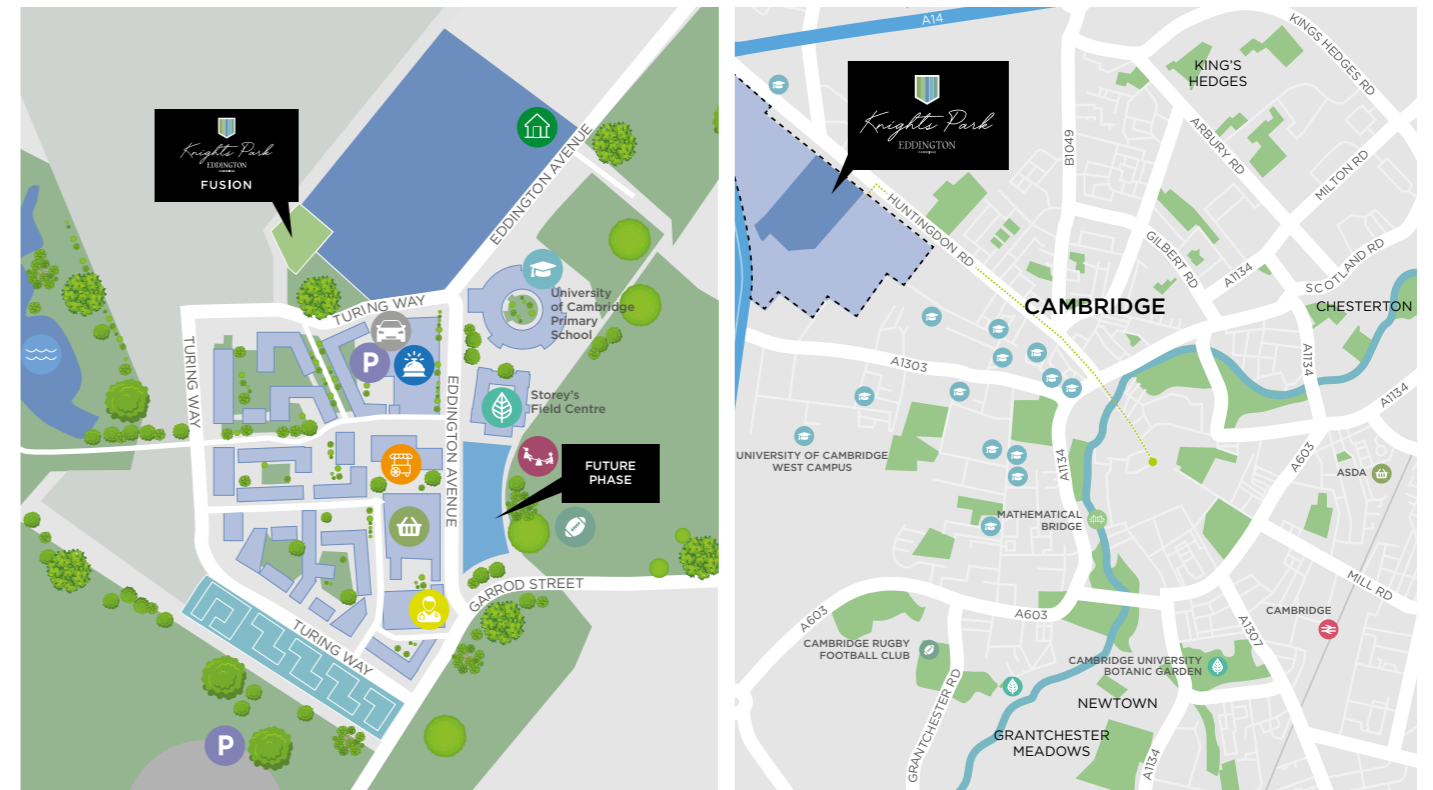

The Hill Group is donating 200 fully equipped modular homes to local authorities and homeless charities as part of a £15 million pledge through its Foundation 200 programme, launched in 2019 to mark Hill's 20th anniversary.
