THE VILLAS

Luxurious homes for exceptional Oxford living

INTRODUCING *The Villas*

Welcome to a new level of luxury for Oxford.

The Villas is a prestigious collection of four and five bedroom houses designed to help your life flow effortlessly. Era-defining architecture, a meticulous finish and eco-friendly features combine to create distinctive homes of elegance, comfort, ease and sustainability.

Part of the inspiring new community of Canalside Quarter, with its beautiful green spaces and leafy setting next to the Oxford Canal, these distinctive new homes are thoughtfully crafted to incorporate maximum glazing in all living spaces, and offer far-reaching views of the glorious surrounding countryside. Spend time in nature, take a short walk to a freshly brewed cup of coffee, and enjoy a swift journey into the city's historic heart. From small daily pleasures to memorable occasions, The Villas offers everything you could want for an exceptional lifestyle.

A rich and fulfilling LIFESTYLE

Oxford is one of the country's most famous cities, renowned for its world-leading university, graceful architecture and streets steeped in history. It is also a place of huge enterprise and innovation, with a thriving economy, stimulating cultural scene, and a wealth of social and leisure pursuits.

The surrounding countryside is full of luxurious destinations and exciting diversions. Raymond Blanc's Le Manoir aux Quat' Saisons remains a Mecca for gourmands, set in gardens that are almost as exquisite as the food. There are three golf clubs within a short distance of The Villas, or travel a little further to The Oxfordshire for a round on its Championship golf course.

- 2 North Oxford golf course
- 3 Le Manoir aux Quat' Saisons
- 4 Oxford

Living on the north side of Oxford also means you are within easy reach of the Cotswolds Area of Outstanding Natural Beauty and its array of picturesque villages, five-star spas and chic dining and shopping. Exclusive members' club and rural escape Soho Farmhouse is a mere 35 minutes away by car, while Daylesford Organic, with its farm shop, restaurant, café, homewares store and wellness spa, is 45 minutes' drive.

Newcomer to the scene Estelle Manor, an award-winning country house hotel and private members' club in a Grade II listed landmark house, is even closer – just 20 minutes away by car. A particular highlight is its 3,000 square metre Roman-inspired spa with tepidarium bathing hall, five thermal pools and opulent treatment rooms.

JOIN AN *inspiring community*

The Villas is part of the visionary new community of Oxford North, which connects academia and commerce with invention and investment. It's an exciting, dynamic new destination that elevates the everyday right on your doorstep, where you can work, learn and socialise. Amidst the state-of-the-art laboratories and workspaces, there will be cafés, bars, convenience stores, a hotel and a nursery, with leafy open spaces provided for public art, events and culture.

Just beyond, Wolvercote Goose Green, Port Meadow and the tranquil Oxford Canal are perfect for walking, running or quiet contemplation, while the atmospheric Wytham Woods is just 12 minutes away by bike.

Neighbouring Summertown's amenities include a choice of schools and a vibrant arts venue, as well as a range of stores, cafés, pubs and restaurants: from up-market chains to imaginative independents, it offers a cosmopolitan world of temptations. Even closer to home, M&S Simply Food is a five-minute walk, and Waitrose is nearby.

The Villas are ideally located for access to the city, with the historic centre a 14-minute cycle ride away. Oxford Parkway station is nine minutes by bike or six minutes by car, with regular direct services to central London, and to Oxford to change for other destinations. Two minutes' drive from the A40, it also offers easy access to main roads and the motorway.

CREATED *for the discerning*

Every aspect of the interior layout has been carefully considered to reflect how we live today, with generous, sociable open-plan spaces balanced by cocooning rooms for when peace and privacy are required.

Rear elevations feature extensive use of glass, including large bi-fold doors in the expansive kitchen/dining/living area, to maximize views and the amount of natural light flowing into the homes, and create a seamless connection between indoors and out.

“These homes will have spectacular views across the North Oxfordshire countryside and benefit from private amenity space that maximises this southern aspect.”

Pollard Thomas Edwards Architects

The elegant specification creates sumptuous bedrooms and bathrooms, enviable kitchens and sophisticated living spaces –all finished to an outstanding standard. Carefully planned practical elements, such as the storage, garages and utility rooms that are vital to smooth running households, plus the low-maintenance and energy efficient benefits of a considered new-build home, complete these remarkable residences.

Forward-thinking DESIGN

With its sharply angled pitched roofs and crisp horizontal lines, The Villas exemplify the best in contemporary architectural design. Award-winning architects Pollard Thomas Edward (PTE) have combined projecting balconies and recessed bays to add interest to the streetscape, while large expanses of glass flood the interiors with natural light and provide stunning views across the neighbourhood.

The Villas' intelligent layouts are more flexible and adapt easily to 21st century lifestyles, while the high specification fixtures and fittings are installed to last. Double glazing and increased insulation are hallmarks of Hill's commitment to meeting the highest level of sustainable design, with low energy lighting and aerated showerheads and taps included to keep energy and water consumption and CO2 emissions low.

Benefiting from state-of-the-art technology, The Villas also feature solar photovoltaic (PV) panels, air source heat pumps and mechanical ventilation with heat recovery, both to meet the latest environmental standards and to save the purchaser money. There are also bird and/or bat boxes for every home, while thoughtful planting in gardens and along pavements increase biodiversity and sustainability across the site.

Creating exceptional PLACES TO LIVE

Hill is an award-winning housebuilder and one of the leading developers in London, the home counties, and the South.

In its 25th year, this family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder, with an impressive and diverse portfolio of projects ranging from landmark, mixed-use regenerations, and inner-city apartment developments to homes in rural communities.

Employing over 850 staff, the company operates from six strategically located regional offices, with its head office based in Waltham Abbey, Essex.

Hill anticipates completing circa. 2,900 homes this financial year and has a controlled land bank with planning consent for over 8,500 units. Around half of its portfolio is in joint ventures to deliver a range of mixed-tenure developments, reflecting Hill's commitment to partnerships with government, local authorities, housing associations, and private clients.

Since the company was founded in 1999, Hill has won over 500 industry awards, including the esteemed titles of WhatHouse? Housebuilder of the Year in 2015, 2020, and most recently in 2023, when it also won the Best Large Housebuilder accolade in its first year entering the category. Other awards won in 2023 range from WhatHouse? Awards Best Development and Best Exterior Design, to Best Family Home at the Evening Standard New Homes Awards.

In addition, Hill is dedicated to delivering the highest quality homes and exceptional customer service. This commitment has earned Hill the coveted 5-star status in the Home Builders Federation's annual Customer Satisfaction Survey for the past seven years.

The Hill Group is donating 200 fully equipped modular homes to local authorities and homeless charities as part of a £15 million pledge through its Foundation 200 programme, launched in 2019 to mark Hill's 20th anniversary.
