DISCOVER TRANQUIL PARKS, VIBRANT MEADOWS,  
WILDLIFE-RICH RESERVES AND WELCOMING  
PATHWAYS—NATURE AND COMMUNITY  
HARMONIOUSLY UNITE AT KINGSLEY PARK.

At the heart of the development, and inspiring its name, is the central park. This idyllic open space gives Kingsley Park a sense of natural equilibrium – a place to exercise, meet neighbours or just relax. What's more, its topography has been designed to enhance the natural habitats of birds and wildlife along lush green corridors.

This is just one of the many green spaces for residents to enjoy, each having its own distinct character. These include meadow areas with wildflowers attracting pollinators, butterflies and birds to play areas for the young – and all complemented by people-friendly streets, cycleways and footpaths. Lighting on site has also been designed sensitively to provide safe illumination yet minimising the effects on wildlife.

*Homes that are*  
**THOUGHTFULLY DESIGNED AND  
CAREFULLY CRAFTED**

REGARDLESS OF THEIR DESIGN AND STYLE, ALL OF THE HOMES AT  
KINGSLEY PARK ARE CAREFULLY DESIGNED TO DELIVER SPACES THAT ARE  
AS PRACTICAL FOR EVERYDAY LIVING AS THEY ARE FOR ENTERTAINING.

Carefully considered room layouts are complemented by a high specification throughout, including air-source heat pump that delivers renewable, gas-free heating to every home.

Most homes feature open-plan kitchen / dining / living areas, while the larger properties include the added benefit of a separate family room. Additionally, with changing working practices, homes now incorporate a study for home working where possible.

Each house comes with a garage, driveway or both, and features an EV charging point, while all of the apartments enjoy a private allocated parking space.
