The Hill Group is a top 10 housebuilder* and one of the leading developers in London, the home counties, and the South. The company is renowned for its partnership ethos, specialising in the building of distinctive new places and communities where people want to live, work, and socialise.

In its 25th year, this family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder, with an impressive and diverse portfolio of projects ranging from landmark, mixed-use regenerations, and inner-city apartment developments to homes in rural communities.

Employing over 950 staff, the company operates from six strategically located regional offices including Bristol and Abingdon to help facilitate growth in the South West and the Midlands, with its head office based in Waltham Abbey, Essex.

Hill completed 2,886 homes in the last financial year and has a controlled development pipeline of over 8,800 homes. Around half of its portfolio is in joint ventures to deliver a range of mixed-tenure developments, reflecting Hill's commitment to partnerships with government, local authorities, housing associations, and private clients.

Since the company was founded in 1999, Hill has won over 500 industry awards, including the esteemed title of WhatHouse? Housebuilder of the Year in 2015, 2020 and 2023. Most recently in 2024, Millside Grange in Croxley Green also won The Standard's Homes & Property Award for Best Commuter Home.

In addition, Hill's dedication to delivering the highest quality homes and exceptional customer service has earned the housebuilder its 5-star status in the Home Builders Federation's annual Customer Satisfaction Survey for the past eight years. With a score of 4.8 out of 5, Hill is also ranked as the number one housebuilder on Trustpilot.

Hill is donating 200 fully equipped modular homes to local authorities and homeless charities as part of a £15 million pledge through its Foundation 200 programme, launched in 2019 to mark Hill's 20th anniversary.
