Designs, layouts and specifications vary; please speak to our Sales Executives for further information.

A Management Company has been formed at The Southville Collection and will be responsible for the management and maintenance of the shared services and communal areas of the development. This includes the green open spaces, play areas, unadopted estate roads and footpaths. All homeowners will automatically be made members of the Management Company when they purchase a home at The Southville Collection.

A managing agent has been appointed on behalf of the Management Company and will take on the day-to-day management and maintenance responsibilities. All homeowners will be required to pay a contribution towards the maintenance of the development, which will be collected by the managing agent in the form of an annual estate charge.

We are unable to accommodate any individual changes, additions or amendments to the specification, layout or plans to any individual home. Please note that it may not be possible to obtain the products as referred to in the specification; in such cases a similar alternative will be provided. Hill reserve the right to make these changes as required.
